Groove

Highly functional
luminaire, classic and
stylish. Its minimal,
slim form can be unified
into any interior design.

Reverence for simplicity and utility

What is Groove

Glare-free luminaries that generate a fluid gradation of light.

The entire product family impresses with its typically recessed and curved aluminium profile.

Offers high visual comfort enhanced by the slender, minimalistic profile.

UGR<16

Light throw that **won't disturb glare from projectors**. Highly recommended for board rooms.

Endless design possibilities.

Regressed light source lends to a **cozy and soft light distribution**, in any atmosphere.

Optimal lighting system.

Defined light throw avoids light pilferage.

Barely there, yet impactful.

Invisible light source that provides **high visual comfort**, preventing any eye contact with it.

Recessed luminaire. Perfect for expansive spaces.

Fusion of form
with function,
bathed in luxury

Illumination for inspiration
